SPECIAL AFFILIATION

Dear Colleague,

After many years of organising and hosting our Conference in Italy, UK and Spain, Isokinetic Medical Group has decided to move to France!

The title of 2022 Conference edition is
“Football Medicine. The Players' voices”

The medical community is used to listening to itself, most medical conferences focus solely on the voice of the practitioners and academics.
This conference wants to break this habit. With a Patient First ethos, it's now the time to listen to our players' voices.

On the **4th 5th and 6th of June 2022** the Football Medicine Community will be hosted at the *“Cité Internationale Convention Centre”* in **Lyon**, together with the main partners FIFA.

You are entitled to a special rate of 390€
(normal rate 890€)

WE ARE WAITING FOR YOU!
